

Orton Bradley Park

All walks and tracks are signposted, follow the marker posts with bands. Sometimes the tracks follow farm roads. Some tracks are shared with mountain bikers, cyclists please give way to walkers. Times given are for an easy walking pace. Times on boards and signs are all one way unless shown as RTN (return).

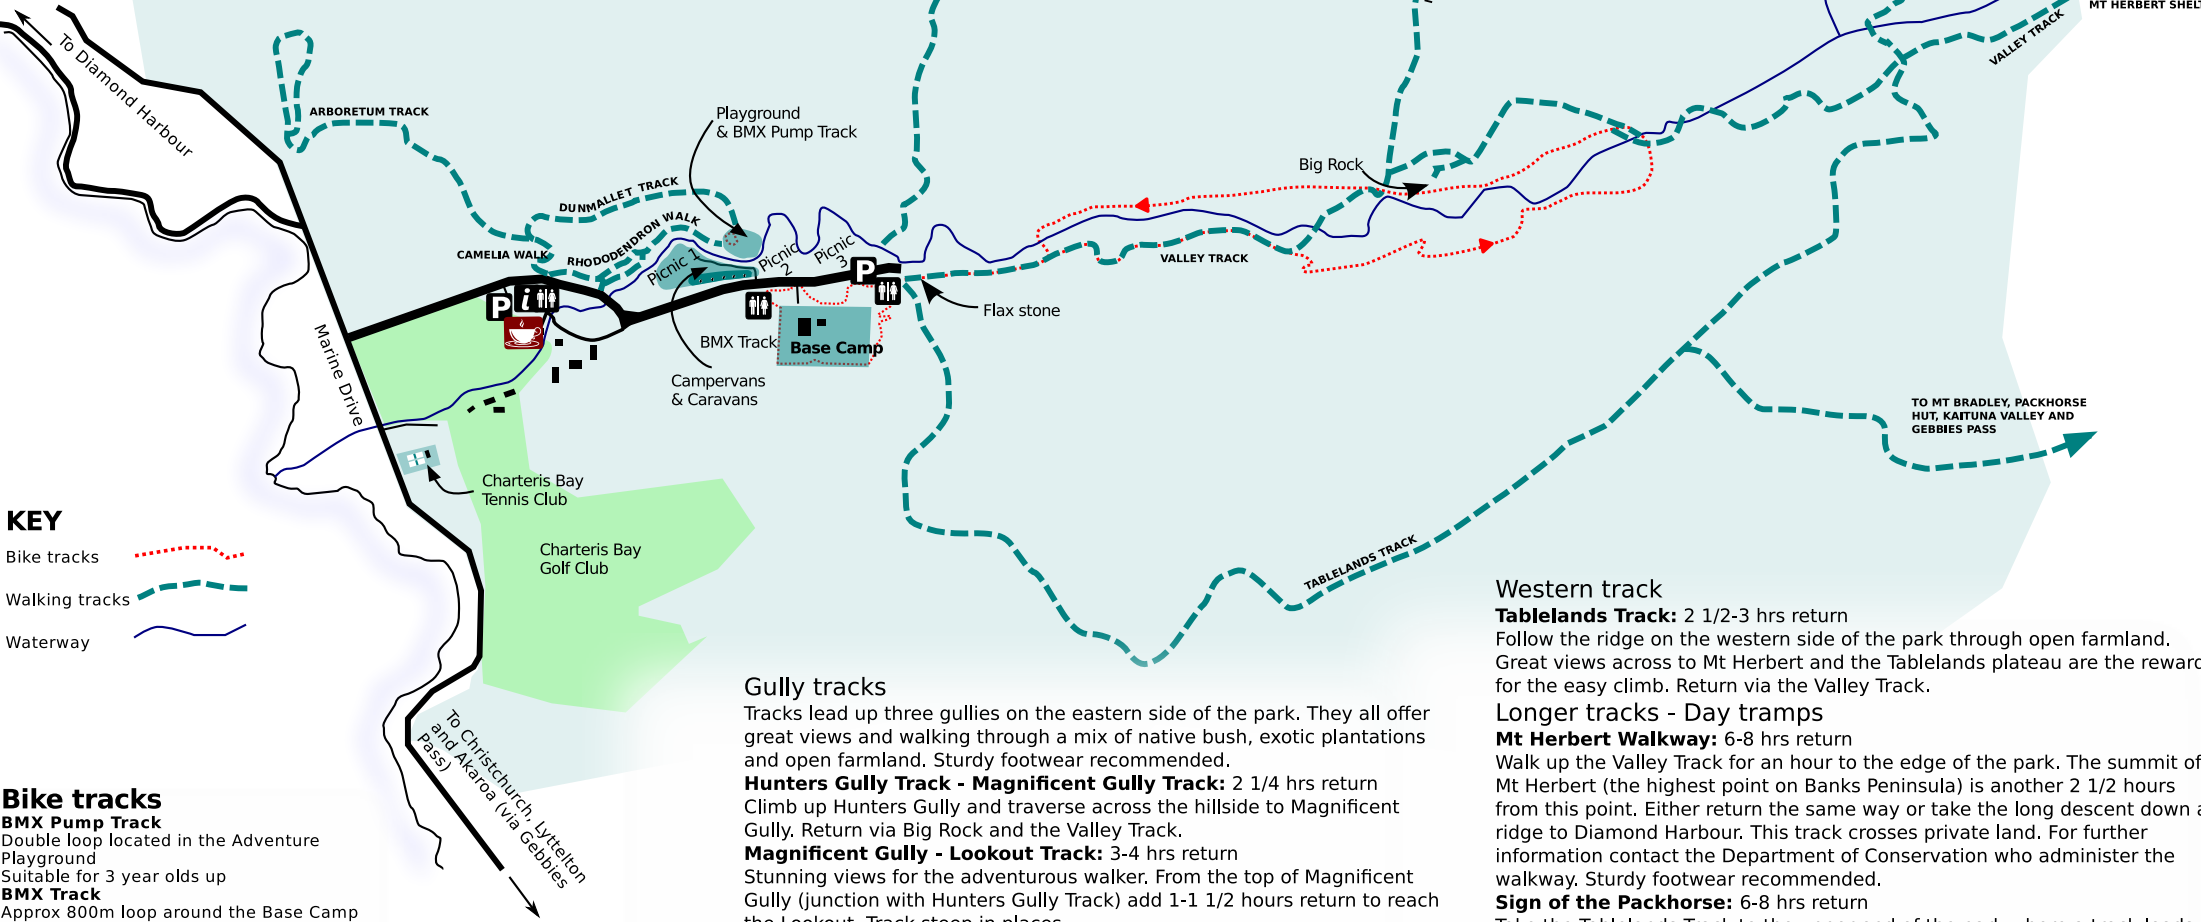

Visitor Care Code

Fires
Uncontrolled or open fires would have a devastating impact on the whole park. Observe the NO FIRES restriction. Gas BBQs permitted all year round

Dogs
As we are a working farm, no dogs are permitted in the park, this includes in vehicles. There are kennels provided in front of the heritage buildings for use.

Lambing
All tracks are closed except Dunmallet and Rhododendron from early August to early October - check website or facebook

Plants
Please leave all plants, animals and rocks undisturbed

KEY

- Bike tracks
- Walking tracks
- Waterway

Bike tracks
BMX Pump Track
 Double loop located in the Adventure Playground
 Suitable for 3 year olds up
BMX Track
 Approx 800m loop around the Base Camp
 Suitable for 6 year olds and up
MTB Track
 Approx 2.5km loop starting at upper toilets.
 Intermediate grade suitable for confident 9 year olds and up. **Closes for Lambing Season**

Gully tracks
 Tracks lead up three gullies on the eastern side of the park. They all offer great views and walking through a mix of native bush, exotic plantations and open farmland. Sturdy footwear recommended.
Hunters Gully Track - Magnificent Gully Track: 2 1/4 hrs return
 Climb up Hunters Gully and traverse across the hillside to Magnificent Gully. Return via Big Rock and the Valley Track.
Magnificent Gully - Lookout Track: 3-4 hrs return
 Stunning views for the adventurous walker. From the top of Magnificent Gully (junction with Hunters Gully Track) add 1-1 1/2 hours return to reach the Lookout. Track steep in places.
Waterfall Gully Track: 2 1/2 hrs return
 Follow the Valley Track through remnants of native riverside bush to reach the turnoff to Waterfall Gully. One waterfall en route and another at the top give the track its name. **Return via Magnificent** (add 20mins).

Western track
Tablelands Track: 2 1/2-3 hrs return
 Follow the ridge on the western side of the park through open farmland. Great views across to Mt Herbert and the Tablelands plateau are the reward for the easy climb. Return via the Valley Track.
Longer tracks - Day tramps
Mt Herbert Walkway: 6-8 hrs return
 Walk up the Valley Track for an hour to the edge of the park. The summit of Mt Herbert (the highest point on Banks Peninsula) is another 2 1/2 hours from this point. Either return the same way or take the long descent down a ridge to Diamond Harbour. This track crosses private land. For further information contact the Department of Conservation who administer the walkway. Sturdy footwear recommended.
Sign of the Packhorse: 6-8 hrs return
 Take the Tablelands Track to the upper end of the park where a track leads out of the park to the Sign of the Packhorse. This historic stone hut was designed by Hurst Seagar. The Sign of the Kiwi, Takaha and Bellbird on the Summit Road were also part of this series. Tracks continues from here to both Gebbies Pass and Kaituna Valley.
